 - Donor Advisors recommended over 4,000 grants, totaling more than \$23.7 million to causes locally and around the world.
 - Community Grants totaling \$6.3 million were awarded to 99 organizations.

Recent Program Highlights*

We helped all of our partners learn more about community issues and philanthropy, share their ideas and expertise, connect with one another, and give for maximum impact.

REWARDING RELATIONSHIPS

To make giving more convenient, effective, and rewarding, we:

- improved our Donor Advised Fund program, allowing for more investment choices, greater family involvement, and other benefits.
- launched Fourth Generation, a program for next generation givers, and began to offer more robust family giving services.
- introduced Legacy Funds, making it easier than ever for donors to support the causes they care about, forever.
- offered our popular Matching Grant program to donor advisors, generating an extra \$130,000 for local organizations of our donors' choice.

COMMUNITY IMPACT

Through grantmaking and civic leadership, we invested in efforts to ensure everyone in Minneapolis has an opportunity to thrive.

Transforming Education - To help ensure all students receive a first-rate education from pre-K through post-secondary, we:

- collaborated with other funders to promote early childhood during the 2009 legislative session.

- concluded our Destination 2010 program, with 152 Minneapolis and St. Paul public school students eligible to attend post-secondary institutions with scholarships in hand.
- hosted a gubernatorial debate on P-12 education through our Minnesota Meeting public affairs forum.
- helped establish MinnCAN, an education reform effort focused on statewide advocacy.
- convened donors and partners to learn more about the education crisis at a screening of *Waiting for Superman*.

Promoting Economic Vitality - To help create pathways to prosperity for our region and its residents, we:

- commissioned a report on the increasingly critical role immigration will play in Minnesota's economy.
- sponsored the international Habitat for Humanity build in North Minneapolis' Hawthorne neighborhood.

Building Social Capital - To help communities be effective leaders on issues that affect them, we:

- launched a youth grantmaking initiative, to support effective violence prevention efforts.
- supported the African-American Leadership Forum.

Our Mission

We Believe that the well-being of each citizen is connected to that of every other and that the vitality of any community is determined by the quality of those relationships.

Our Purpose is to join with others to strengthen our community, in measurable and sustainable ways, for the benefit of all citizens, especially those who are disadvantaged.

We Are Committed to be an effective resource developer and a responsible steward of those resources, an active grantmaker and convener addressing crucial community needs, and an advocate and constructive catalyst for changing systems to better serve people.

Donors and Funds

Funds of The Minneapolis Foundation

Donors who have created funds at the Minneapolis Foundation are as varied as the causes and organizations they care about. Our donors include community volunteers, business owners, retirees, and professionals and they have set up funds as a family, or as part of a group with common interests. Donors support causes ranging from the arts to education, to protecting the environment, advocating for human rights, and advancing medical science.

Donors can take an active role in their grantmaking or entrust the Foundation to make grants to support the issues they care about. Some leave a legacy to benefit the community. Donors recommended nearly \$24 million in grants last year to organizations in our community, across the country, and around the world. These grants support a diverse range of causes and organizations.

Following is a list of funds donors have created at the Foundation and some of the organizations and causes donors supported through their funds in 2009–10. By giving through The Minneapolis Foundation, you join generations of Minnesotans committed to making a difference through their philanthropy. Whatever your charitable interests, The Minneapolis Foundation is here to help fulfill your philanthropic goals.

Our Mission

We Believe that the well-being of each citizen is connected to that of every other and that the vitality of any community is determined by the quality of those relationships.

Our Purpose is to join with others to strengthen our community, in measurable and sustainable ways, for the benefit of all citizens, especially those who are disadvantaged.

We Are Committed to be an effective resource developer and a responsible steward of those resources, an active grantmaker and convener addressing crucial community needs, and an advocate and constructive catalyst for changing systems to better serve people.

Community Grants

Community Grants

The Minneapolis Foundation promotes the well-being of Minneapolis and its residents through grantmaking and community leadership. We award grants to the community from an endowment created over time by generous Minnesotans and from commitments from our funding partners.

These Community Grants support efforts to Transform Education, Promote Economic Vitality, and Build Social Capital that lead to measurable results for Minneapolis residents. We believe that together these activities will help create more social, racial, and economic equity in our community, ensuring everyone in Minneapolis has an opportunity to thrive.

During the 2009-10 fiscal year, The Minneapolis Foundation awarded \$6.3 million in Community Grants to 99 organizations. These include grants awarded under both our current and previous guidelines (as noted).
