GIVE 4 GOOD

This is our end-of-year celebration where we present grants to community organizations addressing critical needs.

EDUCATIONAL EVENTS

Each year, we host a variety of educational opportunities for members to learn about philanthropy and get proximate to a local issue.

GRAZE 4 GOOD

You won't want to miss our annual fundraising event. Think signature cocktails, the hottest local chefs, and a celebration just short of a food fight.

GRANTMAKING COMMITTEE

Join the monthly meetings where we collaboratively investigate a local issue, evaluate proposals, conduct site visits, and make grants. Members of this group have the opportunity to serve on the Fourth Generation Advisory Board.
