- Information not available*

What other characteristics would you like to share about the population that is primarily served?
(3,000 Characters)

Proposed Work

Amount requested:

Which of the following grant guidelines aligns most with the proposed work?

- Bridge barriers between West Bank residents, particularly those that close gaps in access to public services and support*
- Empower African youth and their families, and immigrant elders*
- Build on community assets and expand opportunities for West Bank residents to fully participate in the arts, culture, businesses, and overall society*

Please select the category for this request:

- Staff Development*
- Wellness*
- Training*
- Planning*
- Programming*
- Technology*
- Other*

What capacity building need(s) does this proposal address? How will it help strengthen your organization? Briefly describe the use of these funds. (3,000 Characters)

What is the length of time, in months, that you anticipate spending this funding? (250 Characters)

Is there anything you expect to learn as a result of this work? (2,000 Characters)

Grantees will not be required to submit a final report as part of the agreement. We are interested in learning about the work that happens in community. If you receive a grant can we contact you to follow up on the outcome of your work?

Is there anything else you would like us to know as we consider this request? (3,000 Characters)
